

Rewarding Excellence in the US Alt Credit Industry

The Alt Credit US Services Awards returns for the 2nd time this year in 2020 to honor providers of services and solutions to the North American credit hedge fund industry that have demonstrated exceptional innovation, customer service, and business performance over the past 12 months.

During this unprecedented time, it is pivotal to be showcased as a leader within such a competitive industry.

Alt Credit US Services Awards will provide a virtual platform for you to connect with your peers, connect with potential clients, and strengthen your reputation in front of the industry.

The winners will be announced in a virtual awards ceremony on Wednesday, October 21. For more information to attend the awards, please contact Tara Nolan (<mailto:t.nolan@hfm.global>).
